I...
The truth is...

I wonder what Kasugai was trying to say.
Something he wanted to show me...?

Now that I think about it, wasn't yesterday...

Kasugai is popular with everyone.
Crap... Now I did it...
Souta, can I still make the submission deadline?
I'll wait till you're finished.
There's still time.
Even when the bell rings, the teacher should come late
Finish by then.

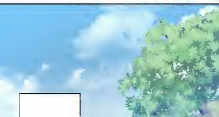
I'll treat you to something after.
OK

TS: "Ok" in raws

Kasugai... I had you teach me this before but
I still don't quite get it,

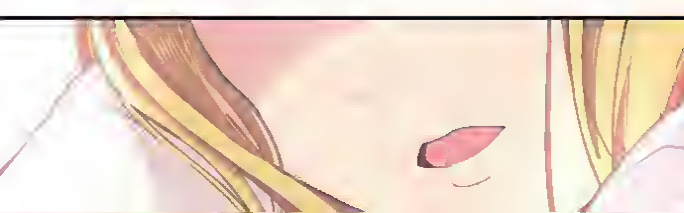
Ah, one second...
Reserve a time...

Probably, by being nice to everyone...
he doesn't cause problems for others...
because he doesn't refuse



But...

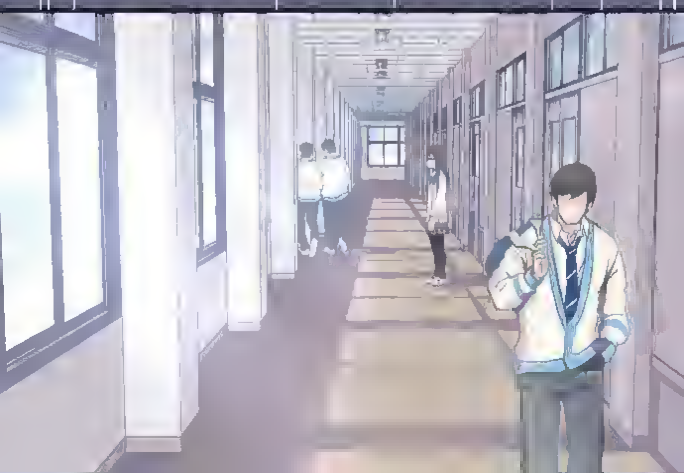
Why did he talk to me...?



Because he likes you...

Wait a sec, I'll bring it right over...
Talking in her sleep...

There probably isn't a deep meaning.



Now that I think about it, it really has been a while since I did something with someone.
Since when I wonder?
Before middle school...?

During that time, Even when something happened to me everyday,
Everyone was living normally...
.....

Huh... Nothing's happening?

When I'm with Kasugai...

Nothing's happening...

Why...?

Kyaa!!
Wa!
Are you ok?

U, Um...
Why are you here?
Huh... I was organizing the documents.

Just

Some student council work was left...

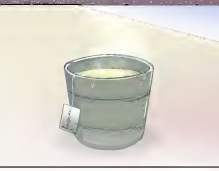
Student Council

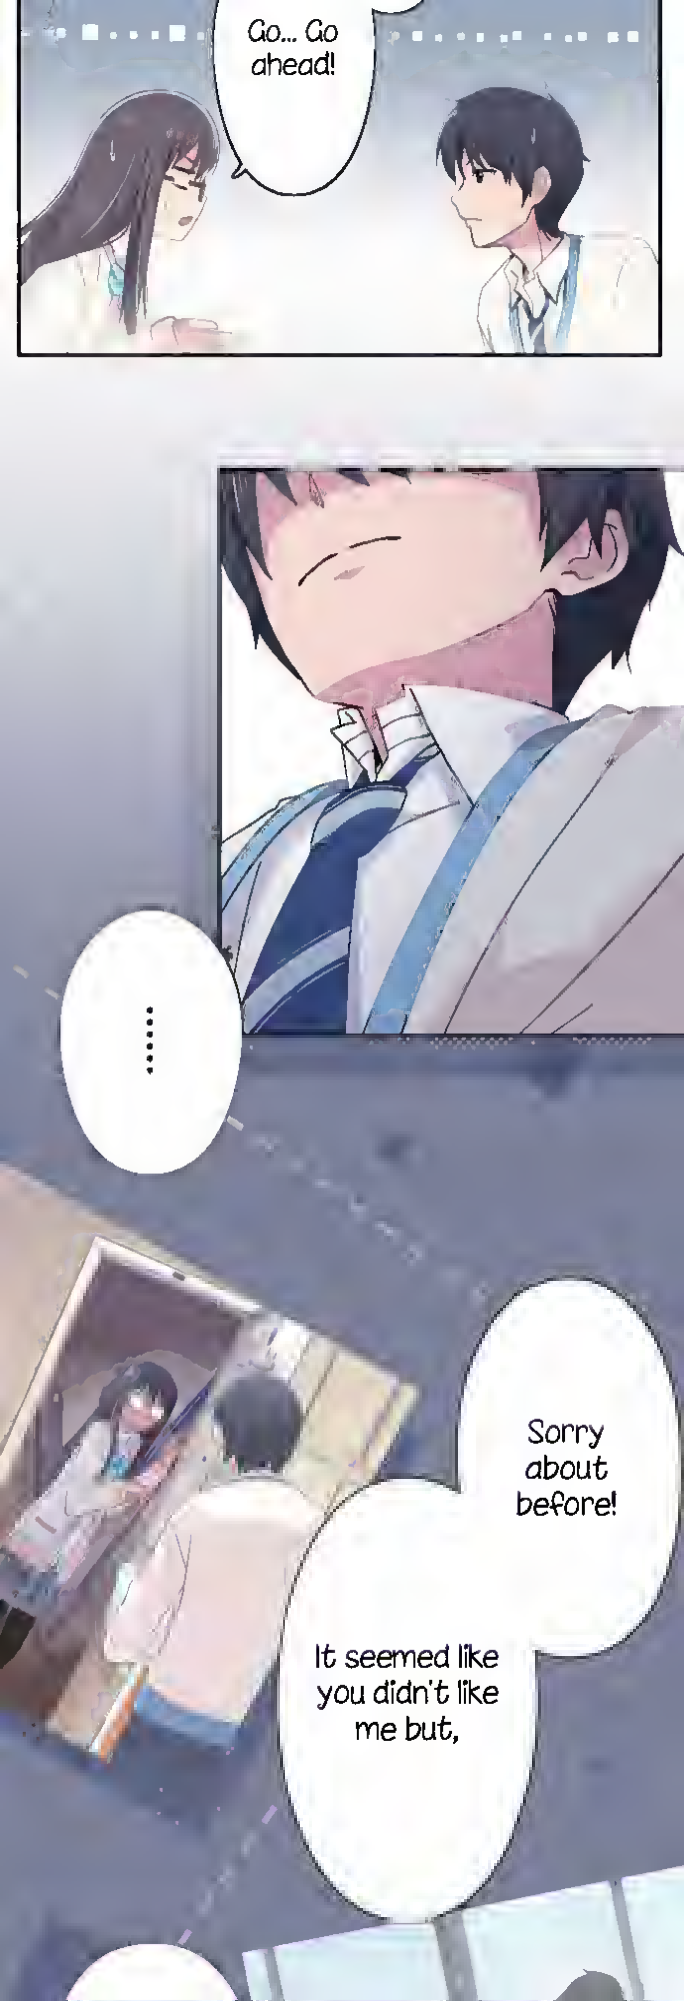


This is rare...

For you to come to me...

.....
I just entered!

……
……
Um...!
……



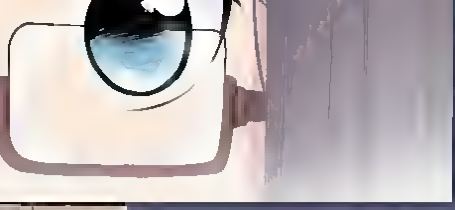
Go... Go ahead!
.....
Sorry about before!
It seemed like you didn't like me but,

I had something I wanted to show you so.

I panicked.

For following you so persistently,

Sorry.



But...
After a bit
of time

I have a feeling
nothing bigger
than that will
happen...

??

Sorry...

No...! I had...

I had a lot of fun in the shopping district.

More than anything...

Until now, I always thought I didn't stand out much but...

It seems like that was wrong...
For the first time in a really long time...
I was told "Thank you"

Thank you...

.....

W...
What was it you needed?

??

.....

"When I'm with you, nothing bad happened"!
What do I do... In front of the person, I can't say
?

...Ah...
Ehh...

To be Continued.
